# Summary of cover

We know that all travellers do not have the same needs, which is why We have designed a number of travel insurance plans including International, Annual Multi-Trip and Domestic, as well as giving You the ability to add optional extras. All plans cover up to 2 Adults and Your Dependents.

We have published Our Target Market Determinations which outline the target market intended to be suitable for each particular travel insurance plan We offer. A copy of the Target Market Determination can be found at [www.tokiomarine.com.au/corporate-governance/code-of-practice/](http://www.tokiomarine.com.au/corporate-governance/code-of-practice/).

# Plan types

---

## International Single Trip

Designed for single use *Trips* when *You* are departing and returning to Australia.

## Annual Multi-Trip

*Your* Annual Multi-Trip policy covers *You* for international *Trips* as well as *Trips* within Australia where the *Trip* is more than 250km from *Your Home*. If *Your Trip* is in Australia, *You* are not covered for medical, hospital or dental expenses. When *You* purchase *Your* policy please include the countries to where *You* are travelling. This will determine the *Premium You* pay. If *You* need to make any additional changes to the countries listed after *You* have purchased *Your* policy, please contact *Us* and note there may be an impact on the *Premium You* pay. *Our* Annual Multi-Trip can be a good alternative if *You* plan to make multiple *Trips* over a 12 month period. Compare *Your* individual requirements before *You* choose *Your* plan.

### The Annual Multi-Trip offers:

- Annual cover for an unlimited number of *Trips* over a 12 month period
- A maximum duration limit of either 30, 45 or 60 days per *Trip* (or the maximum durations shown on *Your Certificate of Insurance*)
- If *You* purchase the Annual Multi-Trip plan, the *Sums Insured* under each of the sections of the policy are automatically reinstated on the completion of each *Trip*.

## Domestic Single Trip

This plan is a single use policy for travel within Australia while on *Your Trip*. Please note the domestic policy does not include any medical or evacuation cover as *We* are a general insurer and cannot cover medical costs in Australia. Therefore, the domestic policy is not suitable for *Cruises* requiring the medical and evacuation benefit. See below.

# Information about cruising

---

## Cruise cover

If *You* require cover for a *Cruise*, please select the *Cruise* option when *You* purchase *Your* policy. This will determine the *Premium You* pay.

Cover for international and domestic river cruising is included automatically in *Your Policy* and *You* do not need to select the *Cruise* option.

## Going on an international *Cruise*

*Our* policy benefit sections include cover for an international *Cruise*. *You* will need to select the countries the *Cruise* travels to as *Your* country of destination.

## Going on a domestic *Cruise* – medical

If *You* are going on a *Cruise* which is only in Australian waters or calling into ports in Australia, *You* may still require a policy which includes medical cover whilst *You* are on board the ship (check with *Your Cruise* provider) as the medical providers are not registered with Medicare. *You* will therefore need to select Australian *Cruise* as *Your* country of destination. By selecting Australian *Cruise* as a destination, this means *You* will be offered the international policy options and benefits. This will then allow *Us* to give *You* the medical and evacuation benefit whilst at sea but not if *You* go to a medical provider whilst in port in Australia.

# Before *You* buy

Here is some handy stuff *You* should know before *You* buy this policy and before *You* leave for *Your Trip*.

## *Your Duty to take reasonable care not to make a misrepresentation*

---

This policy is a 'consumer insurance contract' under the Insurance Contracts Act 1984 (Cth) (Act). Before *You* start, reinstate, extend, or vary a policy with *Us*, *You* have a duty to take reasonable care not to make a misrepresentation to *Us* ("*Your Duty*") under the Act.

When *You* ask for cover or request *Your* cover to be altered, *You* must answer all the specific questions that *We* ask accurately, honestly and with reasonable care, to the best of *Your* knowledge. This may mean, for example, that *You* should take reasonable steps to find out the answer to a question if *You* do not already know the answer before responding to the question. *We* rely on the information that *You* provide to *Us* to decide whether or not to insure *You* and, if so, on what terms (including but not limited to the cost). This duty to not make a misrepresentation applies to everyone who will be insured under the policy and *Your* answer to *Our* questions on their behalf will be treated as their representations.

*Your Duty* ends once *We* agree, in writing, to insure *You*. Whether or not *You* have taken reasonable care not to make a misrepresentation to *Us* will be determined with regard to all the relevant circumstances, including any of *Your* particular characteristics or circumstances which *We* were (or ought to have been) aware of. It may also include the type of insurance cover that *You* have asked for and who it is intended to be sold to, and whether or not an insurance broker was acting on *Your* behalf when *You* asked for cover.

If *You* do not take reasonable care not to make a misrepresentation, *We* may be entitled to reduce or deny any claim *You* may make or cancel the policy altogether. If *Your* failure to comply with *Your Duty* is fraudulent, *We* may also have the option of avoiding the contract from the beginning, which is, treating it as though it never existed.

If *You* are uncertain about whether or not a particular matter should be disclosed to *Us*, please contact *Us* and *We* will try and assist *You*.

If changes are made to the *Trip* length, the *Period of Insurance* on *Your* new *Certificate of Insurance*, when added to the period on *Your* original *Certificate of Insurance*, cannot exceed a combined maximum period of 12 months.

If You require cover for *Medical Conditions* that are not automatically covered above, You may apply for additional cover for that condition. Please see the '*Medical Conditions We need to assess*' section below.

## Medical Conditions We need to assess

---

If You have a *Medical Condition* that is not automatically covered above and You want cover for this *Medical Condition*, You will need to complete Our online medical assessment so that We can assess whether:

- a. We can cover the *Medical Condition* – in which case additional *Premium* may be payable and the *Medical Condition* will be listed on Your *Certificate of Insurance*; or
- b. We can't cover the *Medical Condition* – in which case, the *Medical Condition* that has not been accepted will be listed on Your *Certificate of Insurance*.

## Changes in Your health

---

If before starting Your Trip, You become aware of, or a reasonable person in the circumstances could be expected to have become aware of, a change in Your health, that:

- has, or is likely to have, an effect on the diagnosis, severity, or management of a *Medical Condition*, such as a change in treatment, medication or dosage, a new symptom or change of a condition of a *Medical Condition*, that We have accepted on Your *Certificate of Insurance*; or
- a *Medical Condition* manifests itself, that is not otherwise covered under the '*Medical Conditions We automatically cover*' section;

You must tell Us as soon as reasonably practicable and prior to starting Your Trip.

We will then assess the condition to determine if We can offer You cover, as outlined in the '*Medical Conditions We need to assess*' section above. If We consider any change in health no longer satisfies the criteria We offer under the policy because it substantially increases the risk of loss, damage, illness, injury or liability, then We will let You know and decline or withdraw coverage, as applicable, by issuing You an updated *Certificate of Insurance* with any applicable changes to *Medical Conditions* that are or are not covered by the policy.

If We withdraw or decline cover and You decide to cancel Your Trip as a result, cover may still be available under 'Section 1 Cancellation Fees and Lost Deposits'. If You do not claim and want to alternatively cancel Your policy prior to starting Your Trip as a result of this decision, We will refund Your *Premium* in full, even if this is outside the cooling off period.

If You fail to tell Us about a change in Your health as set out above, We may refuse coverage or refuse to pay Your claim, in whole or in part, subject to Our rights under section 54 of the Insurance Contracts Act 1984 (Clth) to the extent that We have been prejudiced as a result of Your failure to notify Us. We may also be entitled to cancel Your policy under section 60 of the Insurance Contracts Act (Clth).

## How Your Premium is calculated

The amount We charge You for this insurance policy is the total amount of *Premium* that We determine covers Our risk, associated costs and any government charges like Stamp Duty and GST. When We issue Your policy the total *Premium* and any government charges will be displayed on Your *Certificate of Insurance*. If You change Your policy in any way, You may need to pay an additional amount or You may be entitled to a refund of part of Your *Premium*.

In order to calculate Your *Premium* We take a number of factors into consideration including:

- where You are travelling
- for how long
- the number of travellers and their ages
- the plan You select
- the *Excess* level chosen
- *Medical Conditions* and pregnancy
- plus any other optional extras You choose.

For example:

- the plan - the higher the level of cover the more Your *Premium* will be
- the length of Your *Trip* - in most cases the longer the *Trip* the greater the *Premium*
- the *Excess* You select- the lower the *Excess* You choose the higher the *Premium*
- coverage options – cover like Ski and *Winter Sports* and *Cruise* cover increases Your *Premium*.

## How Your claim payment is calculated

Factors that contribute to the calculation of the amount We will pay You for a claim include:

- the actual amount of the loss
- applying the various benefits and limits provided under the plan You have purchased
- less the *Excess* You have nominated on Your *Certificate of Insurance*
- less any compensation, refund or credit You may have received from Your pre- paid booking for Your *Trip*.

For example:

You have purchased Our *Premium* policy and Your camera is stolen from You whilst at the local market. The following scenario applies:

- You paid \$5,000 for Your camera when You bought it 2 years ago. Our policy covers new for old, so there is no depreciation to factor in
- The market organiser compensates You \$500 for the inconvenience, leaving your actual loss at \$4,500
- The limit under this policy for an item like a camera is \$3,000 and the overall limit for *Luggage* is \$15,000
- You chose to pay the additional *Premium* when You bought the policy to reduce Your *Excess* to \$100
- The result is, if You have met all the terms and conditions of the policy, We will replace Your camera or cash settle, up to the cost of an equivalent replacement to a maximum of \$2,900.

## You must not admit fault or liability

Do not admit any fault or liability to any claim under this policy. *You* must not promise or offer to pay any money or become involved in litigation without *Our* authorisation.

## What *You* must not do

In the event of a claim or circumstances that may give rise to a claim, *You* must not:

1. make any promise or offer of payment, or admit fault to anyone (except as required by law), or become involved in any litigation in respect of an event that may result in a claim under this policy, without *Our* consent;
2. offer or negotiate to pay a claim or make repairs;
3. dispose of damaged items unless *We* have said *You* can;
4. delay telling *Us* about an incident, as that could prejudice *Our* rights and if so, it may reduce the amount *We* pay for *Your* claim; or
5. give *Us* false or misleading information.

## Claims are payable in Australian Dollars

*We* will pay all claims to *You* in Australian dollars. All conversions will be calculated using the Oanda rate at the time *You* incurred the expense. Alternatively, *You* can provide a copy of *Your* credit card statement to show the conversion rate used by *Your* bank for the expense.

## Excess

If an *Excess* applies to *Your* claim, the *Excess* will be deducted from *Your* claim or *We* may request *Your Excess* if *You* have no out of pocket expenses and *We* have approved and paid for *Your* overseas medical expenses. Any applicable *Excess* will apply to each and every *Insured Event*.

## Claims assessment

*We* will assess *Your* claim within 10 business days of *You* notifying *Us* and *You* providing *Us* with all the necessary supporting documentation. If *We* need any additional information, a written notification or phone call will be made to *You* within 10 business days.

## If You can claim from anyone else

If You can make a claim against someone else in relation to a loss or expense covered under this policy You must take reasonable steps to do so first. If they do not pay the full amount of Your loss or expense from Your claim, We will only pay the difference up to the policy limit.

## Subrogation

If You are aware of any third party that You or We may recover money from, You must let Us know.

We may, at Our discretion and subject to applicable law, in Your name and on Your behalf, undertake, control and settle proceedings for Our own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy.

You must provide reasonable assistance and permit to be done, all acts and things as required by Us for the purpose of recovering compensation or securing indemnity from other parties to which We may become entitled or subrogated, upon Us paying Your claim under this policy regardless of whether We have yet paid Your claim and whether or not the amount We pay You is less than full compensation for Your loss.

We will apply any money We recover from someone else under a right of subrogation in the following order:

1. to Us, Our costs (including but not limited to administration and legal) arising from recovery
2. to Us, an amount equal to the amount that We paid to You under Your policy
3. to You, Your uninsured loss (less Excess)
4. to You, Your Excess

If We have paid Your total loss and You receive a payment from someone else for that loss or damage, You must pay Us the amount of that payment up to the amount of the claim We paid You.

If We pay You for lost or damaged property and You later recover the property or it is replaced by a third party, You must pay Us the amount of the claim We paid You.

## Fraud

We will not pay if Your claim is fraudulent.

Insurance fraud places additional costs on honest policyholders. Fraudulent claims contribute to the rise in insurance Premiums. We encourage the community to assist in the prevention of insurance fraud. You can help by reporting insurance fraud to Us on [1300 207 371](tel:1300207371). All information will be treated as confidential and protected to the full extent of the law.

## GST

### Business Travellers – How GST affects Your claim

If You are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if You were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount We would otherwise pay will be reduced by the amount of that input tax credit.
